To: Parents and Guardians From: Delbert M. Ortiz, Principal

Re: Student Enrollment

Dear Parents and Guardians,

I want to thank you for choosing Sherman Indian High School for your child's education. Our school has a successful history in educating generations of Native American students.

Today, we offer a well-rounded academic program which includes college and career readiness in our AVID (Advancement Via Individual Determination) program and a focus on the vocational trades in our Career Pathways program.

All students are supported by a full-time residential program. Students are provided daily planned physical activity, homework study support, Native language and culture, and wellness. In addition, our school coordinates with local tribal programs, colleges and universities, business internships, and scheduled off campus activities.

As a reminder, please review your application for completeness:

- When you are scheduling your child's physical, please make sure that the medical provider completes the PPD skin test.
- Copies of required documents
- Signatures

If you should have any questions or concerns, please don't hesitate to contact the school at (951) 276-6325.

Thank you,

Delbert M. Ortiz

BEHAVIORAL HEALTH CONSENT FOR TREATMENT

I have been informed of the following:

Treatment Policy: The Behavioral Health Department provides individual, couples, and group counseling on a voluntary basis: Students may request counseling services or may be referred by medical staff, dorm staff, academic staff and/or parent/guardian. Under some circumstances, services may be provided via electronic media, in which case, patient will be verbally informed of the associated limitations and risks. A provider will complete a detailed personal history and determine an effective treatment plan which may include the use of therapy, community resources, traditional healing, and the use of medications. Students cannot be forced to participate in any part of the treatment plan or forced to take medications. The provider will verbally review possible risks, benefits and limitations of any course of treatment and the risks of refusing treatment.

Court ordered treatment or evaluations are not provided.

Rights and Responsibilities: I have been informed of my Patient's Rights and Responsibilities and Privacy Practices at the IHS Clinic at Sherman Indian High School. I understand if I have any concerns or complaints about my treatment, I may contact the supervisor, the Patient Advocate or Department Chief at Phoenix Indian Medical Center (PIMC) at any time.

SIHS IHS Clinic phone number: (951) 509-8780 PIMC Phone Number: (602) 263-1518

Limits of Confidentiality: I understand I have a right to privacy and limited confidentiality regarding my treatment in the Behavioral Health Department. No information about myself will be released without my signed consent for such release, within the limits allowed by applicable federal and state law. I understand confidentiality cannot be provided if I am feeling suicidal (want to hurt/kill myself), homicidal (thought or desire to hurt or kill others), or if there is a suspicion of child, elder, or disabled adult abuse. I understand that patient and treatment information may be shared and discussed with other health providers to optimize my mental health care. My behavioral health documentation will be documented in the EHR (Electronic Health Record) and can only be viewed by authorized providers within the clinic or Phoenix Indian Medical Center.

Patient Responsibilities: I understand that it will be my responsibility to keep my appointments and actively participate in my treatment plan. Should I fail to show for 2 consecutive appointments without canceling, my active behavioral health chart will be closed, which means I will need to begin another initial treatment process. For any patient presenting for treatment (child or adult who has a legal guardian), I will need to have written verification of my guardianship status in order to begin treatment.

I agree to all of the above treatment consents and understand their meanings.

Bureau of Indian Education Sherman Indian High School 9010 Magnolia Ave Riverside, CA, 92503

Phone: 951-276-6326 Fax: 951-276-6336

IN REPLY REFER TO: Principal's Office Ext. 205

Dear Parent/Guardian:

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that Sherman Indian High School, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Sherman Indian High School may disclose appropriately designated "directory information" without written consent, unless you advise SIHS to the contrary. The primary purpose of directory information is to allow SIHS to include this kind of information from your child's education records in certain school publication, school-related websites, in communication with colleges and universities, and to the military services. Examples include:

- · A playbill, showing your student's role in a drama production;
- The annual yearbook;
- · Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets and programs

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories - names, addresses and telephone listings - unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

If you do not want Sherman Indian High School to disclose directory information from your child's education records without your prior written consent, you must notify the Principal in writing by August 26, 2022 or within five (5) school days of your student's initial arrival on campus (whichever is later); this communication will need to be dated and signed by the legal parent or guardian (once a student reaches his/her eighteenth birthday the student has the responsibility for declining the release of information). SIHS has designated the following information as directory information:

- · Student's name
- Address
- Telephone listing
- Tribal affiliations
- · Electronic mail address
- Photograph
- Date and place of birth
- · Major fields of study
- Dates of attendance
- Grade level

- Participation in officially recognized activities and sports
- Weight and height of members of athletic teams
- · Degrees, certificates, honors, and awards received
- The most recent educational agency or institution attended
- Parents' or guardians' names (such as in releasing scholastic honor information)
- Student ID number, user ID, or other unique personal identifier used to communicate in electronic systems that cannot be used to access education records without a PIN, password, etc. (a student's SSN, in whole or part, cannot be used for this purpose)

If there are questions about your or your student's (18 or older) rights under FERPA you may contact the Principal's office at:

Sherman Indian High School - Principal's Office (951) 276-6326 Ext. 207

If you do not wish directory information about your student to be disclosed, please indicate on the following form and return it to the school by August 26, 2022, or within five (5) school days as mentioned above.

The Environmental Protection Agency's Asbestos Containing Materials in Schools, Final Rule and Notice, 40 CFR Part 763 requires that all public and government school are subject to inspection and re-inspection for the presence of asbestos every three (3) years after a management plan is in effect. This same statute also requires initial and annual notification of the availability of a management plan that outlines the steps to be taken to eliminate the hazard. As an institution subject to this requirement and due to our concern for the well-being of our students, our staff, and our faculty, we comply with this statute.

This correspondence represents the annual notification that is required by the *Asbestos-Containing Material in Schools Rule*, published at *40 CFR Part 763*, *Subpart E.* Sherman Indian High School provides this notice to inform the parents, teachers, and employee's organization about locations where they may review the asbestos management plan prepared for Sherman Indian High School.

As a result of our recent building survey concerning asbestos, we note that Sherman Indian High School contains a small portion of asbestos. Please also note that this asbestos is isolated and that it does not present an immediate health hazard.

A periodic surveillance (every six months) inspection is to be conducted in accordance with EPA 40 CFR 763.92 (b) to ensure that the material is not disturbed.

Also, a re-inspection (every third year) is conducted in accordance with EPA 40 CFR 763.85 (b).

We have received a management plan which is available for public review in the administrator's office during normal business hours.

STUDENT BANK

The student bank will cash money orders, cashier checks, and state, tribal, and government checks. The bank will also take the last employment check from student summer work. Please do not send cash through the mail. No personal checks will be accepted at the school bank.

Students are encouraged to open a bank account rather than carry large sums of cash. Parents/guardians may send money orders or cashier's checks directly to the student bank, and parents/guardians may request that the bank allow students to receive the money at a specific rate.

When parents send students money orders to open an account, the parents should address the envelope to the *student bank*. Parents should put Sherman Indian High School Bank c/o student's name on the money order. His or her name **will be placed** on the mail list so he or she will know that a letter has arrived. The student can endorse the money order and the Banker will assist them in opening an account.

The parent can also send money through Western Union or Money Gram which is electronic and off campus. The Student will need to make arrangements with their dorm staff to pick it up. The parent may also set up an account with a local bank and give the student an ATM card. This allows parents to monitor their children's accounts. If you have any questions, please call Eric Begay, School Banker at (951) 276-6326, ext. 200.

STUDENT MAIL

When sending your student mail, please be sure to put his/her name and dorm name on the envelope or box. Please certify your mail if you are sending anything of value to your student. If your student does not receive their mail, please call the post office. The school mail is routed through the Arlington Station, and their number is (800) 275-8777.
